CHAMPAGNE DELAMOTTE

Le Mesnil sur Oger depuis 1760

A great Champagne is first and foremost a great wine.

This is the challenge that drives Champagne Delamotte and its sister house, the mythical Champagne Salon, both of which are located in Le Mesnil-sur-Oger, a unique terroir and one of the most prized Grand Cru villages of the Côte des Blancs, renowned for the purity, freshness and definition of its wines.

CULLEN WINES

WILYABRUP & MARGARET RIVER

Now in their 50th year Cullen Wines situated in Willyabrup, Margaret River, Western Australia are a family owned winery to which we have a very special attachment.

Our Chef Director Colin was Executive Chef at the Winery and worked closely with Vanya Cullen, who is the daughter of the founders and now Managing Director of her family's vineyard. During his time there Colin honed his craft and embraced the challenge of working closely with the wines to which he formed a real affinity to. This still present in his cooking style today making the Cullen wines and Food of Brett a great pairing.
